

# Grape-Wine Workshop Series

The Grape-Wine Program at the Department of Horticulture and crop Science at OARDC is offering a series of workshops. Topics will include current situation in vineyards and questions regarding grape growing and wine making in Ohio. Imed Dami, Viticulturist, Dave Scurlock, Viticulture Assistant, and Todd Steiner, Extension Enologist will be present to answer your questions. We encourage you to attend and bring your questions with you regarding your vineyard/winery operations. Also, take this is opportunity to visit commercial vineyards and wineries and interact with the winemakers. For your convenience, you can choose the location closest to you to attend. We look forward to seeing you there.
