Dear Steve:

Congratulations on the Ohio Agricultural Research and Development Center's receipt of the Wayne Economic Development Council's 2009 Quality Growth Award-Wooster. This honor is a great recognition of OARDC's commitment to both the community of Wayne County and the State of Ohio. I applaud your efforts to revitalize Wayne County and propel it into a technology-led economy. You and your faculty and staff are certainly leaders in that part of Ohio.

Please share this message with your faculty and staff. Do know of my best wishes for your continued success.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Gordon Gee".
