# Emergency Call Dial 9-911

## Medical \* Fire \* Police

All police, traffic, and security complaints occurring on state property (including residences) are to be referred to the Ohio State University Police-Wooster Campus. When calling 911 be sure to state the exact location of the emergency.

### Other emergencies involving vehicles, buildings, or livestock:

During working hours: Dial campus operator  
After business hours and weekends: Call 263-3921 (heating plant)

Personnel on duty will obtain the caller's name, telephone number, location, and type of emergency. The appropriate person(s) will then be contacted to handle the emergency.

Wooster campus police non-emergency calls:  
Dial 9-330-287-0111 or 8-7-0111 or 2500

## How to Make a Call from Your Wooster Campus OARDC Telephone

OARDC Campus Operator.....	0
OARDC Wooster Campus Numbers.....	4 digit extension
287-xxxx numbers.....	8 + 7 + 4 digit extension
Local Call.....	9 + area code + 7 digit number
Long-Distance Calls.....	9 + 1 + area code + 7 digit number + PIN
ATI.....	8 + 7 + 4 digit extension
OSU Columbus Campus .....	8 + the 5 digit extension number
OSU Branch Campuses.....	8 + the 5 digit extension number
Local Columbus .....	8 + 9 (off campus) + the 7 digit number
PLUS.....	8 + 1 + 6 digit authorization code + phone number

Sprint is our long-distance carrier. An accounting code (PIN number) is necessary to place a long-distance call from our phone system, unless using a personal credit card or making a collect call. Current procedures to place calls are:

Long-Distance Toll Call.....	9 + 1 + area code + 7 digit number + PIN
Collect .....	9 + 0 + area code + 7 digit number + PIN
Credit Card.....	9 + dial the access number then the number
International Calling.....	See the Wooster Telephone Directory (Embarq – formerly Sprint)

OARDC's telephone system is equipped with Direct Inward Dialing (DID), which means all 263-3xxx or 202-3xxx numbers can be called directly from outside OARDC's system; 2xxx numbers can receive external calls by having the external caller dial 330-202-3555 and then key in the 4 digit extension. Any extension number can be programmed to allow outgoing calls from our system. Call Facilities Services at 3915 for assistance.

## Other Access Numbers

From ATI and Columbus to OARDC's Wooster Campus: Dial 5 and the 4 digit number

# About This Directory

This directory is updated nightly from the online directory database. There are two versions of the directory: Short Format (Name, Phone, and Email) and Long Format (Full directory information). We also have made a version of the database that can be downloaded and imported into your contact manager. This is useful for having the directory on your handheld or email program. You can download all of these versions of the directory at <http://www.oardc.ohio-state.edu/centernet/directory.asp>.

## Additions, Corrections, Changes, and Deletions

If you have any additions, changes, corrections, or deletions to the phone directory, follow these directions:

- **Change Your Listing:** go to <http://www.oardc.ohio-state.edu/directorychange.asp> and enter your email address. You will be emailed a link that will take you to a page where you can edit your directory entry.
- **Add or Delete a Listing:** email [css-oardc@osu.edu](mailto:css-oardc@osu.edu) with the information.
- **Change the Departmental Listings:** email [css-oardc@osu.edu](mailto:css-oardc@osu.edu) with the information.

# Call Pilot Voicemail Quick Reference Guide

## ENTERING THE SYSTEM

From your phone or another phone on the system:

- ☎ Lift handset and listen for dial tone
- ☎ If message light is lit or you have a broken dial tone, call the internal messaging system extension at **3999** or **330-263-3999** from an outside line.

--OR--

- ☎ Press the **MESSAGE** key
- ☎ Upon hearing "Nortel Call Pilot, Mailbox?"
- ☎ Enter your mailbox number \_\_\_\_\_ [#]
- ☎ Enter your mailbox password \_\_\_\_\_ [#]

**Note:** Mailbox Number = Extension Number  
Temporary Initial Password = 1#### (extension number)

From an outside location:

- ☎ Dial the Remote Login Phone # for your location (See page 2)
- ☎ Upon hearing "Nortel Call Pilot, Mailbox?"
- ☎ Enter your mailbox number \_\_\_\_\_ [#]
- ☎ Enter your mailbox password \_\_\_\_\_ [#]

## SETTING UP YOUR MAILBOX

After you have logged in to the voicemail system the first time, you will need to set up a new password, record a personal mailbox greeting, and record the personal verification. The following steps are also used anytime you wish to change either the password, the greeting, or the personal verification. Personal verification is your name.

### To Change Password

- ☎ Dial **84**
- ☎ Enter **old password** followed by the # sign
- ☎ Enter **new password** (min. 4 digits) followed by the # sign
- ☎ Reenter **new password**

### To Record Personal Greeting

- ☎ Choose Greeting type: Press **1** for External Greeting OR press **2** for Internal Greeting OR press **3** for Temporary Greeting OR press **9** for Personal Verification
- ☎ Press **5** and begin talking at the beep
- ☎ Press # sign to stop recording
- ☎ You may press **2** to replay your greeting and/or press **76** to delete and **5** to re-record. Press **83** when you are satisfied

**Note:** If you record **only** your External Greeting it plays for all three call types. Include information in your greeting about dialing **0** to reach the operator, or your custom operator.

### To Assign your Custom Operator

You can designate the extension to which callers will be forwarded when they press **0** after listening to your greeting.

- ☎ Dial **80** for mailbox options
- ☎ Press **1** to review the current custom operator
- ☎ Enter the new custom operator number (4-digit extension)

## REVIEWING MESSAGES:

- ☎ **Log in** to your mailbox
- ☎ After the message summary is played, the first message is played
- ☎ To **Delete** the message, press **76**
- ☎ To **Skip** the message, press **6**
- ☎ To **Call** the sender, press **9**
